HOLIDAY HEROES

ABOUT US

Holiday Heroes is a *direct impact organization*. In 2016 we reached over 600 patients and 1000+ friends and family members at our hospital events. In 2017 we will be hosting parties quarterly at each of our 11 hospital partners in hopes to serve 1,500 patients and their families.

Holiday Heroes creates and hosts parties and play that take a child's mind away from the pain, anxiety and stresses of being hospitalized; encouraging healthy social development and better recovery from illness. Every dollar donated is converted into a smile at these parties. Holiday Heroes uses its experience, creativity, resources and passion to inspire long-lasting joy and happy memories for these children and their families, making a lasting impact in their lives.

OUR PARTIES INCLUDE:

Three different activities:

A delicious and nutritious catered meal for the patients, families and hospital staff

Fun and interactive crafts and games with prizes which encourage participation and bonding

Target gift card to each patient (or family) to purchase whatever they need to brighten their stay

Email hello@holiday-heroes.org for any questions.
